COMPANY PROFILE

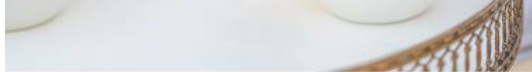

You dream, we plan!

About us

Blanc Weddings has been on the field of wedding planning for over 20 years. We work to obtain a clear insight into what you envision to then transform and enhance it into a brilliant and original reality thanks to our knowledge and know-how experience.

We provide high level of attention to detail, flexibility and personalized services, focusing on wedding planning, overall design and management for our couples and their guests. After all, a destination wedding is not simply a wedding... it is an experience! We are so excited to hear about how your love story began and we can't wait to start planning your celebration!

Wedding Planning

With love and passion

Blanc Weddings specializes in destination weddings in Italy ... but not only that! It takes care of the design, style, coordination of all suppliers, always following the desires of its clients. At Blanc Weddings the planning starts with a videocall to know the couple's wishes and vision followed by a search of the right location, suitable vendors, definition of the style, theme and tones of the day. The aim is to always go beyond the expectations of the bride and groom!

Our services

Product and organization

Every wedding is customized with tailor made high-quality services, flexibility and attention to detail. What we usually say is that our clients create their own event! What we do is to support them with our team made of both national and international experts in the field to find together the most suitable solutions to even the most exclusive needs.

They are our 'project unit' always full of ideas and new innovative proposals. A team of experts that ensure to plan, project and realize successful events.

A bride and groom are walking away from the camera on a green lawn. The groom is on the left, wearing a light blue suit. The bride is on the right, wearing a white lace wedding dress and a long veil, with her right arm raised. The background features a well-manicured garden with hedges, a large tree, and a stone staircase leading up to a building.
